### Notes:

- The “PUT ON” list comes as a result of repentance of sin, belief in and following Jesus. It is what the lives of Christians are to look like. As we enjoy God and make the name of Jesus famous for all the right reasons by taking Steps of Faith through the power of the Holy Spirit, our lives look more and more like the “PUT ON” list. There is much grace that comes with this “PUT ON” list but the grace given does not lower the standard it presents.
- The “PUT ON” list is the lane of worship, joy and blessing as it is God’s way and God’s way is always the best way. Objectively, our world works best when the “PUT ON” list is practiced. With that being the case, the One whose way it is, is worthy of our trust and obedience.
- Biblically, in the home, church and even in culture, guys are supposed to lead courageously in the putting on of the “PUT ON” list and ladies to nurture the putting on of the “PUT ON” list.
- If someone has something against Christianity, it might be because they haven’t seen the “PUT ON” list lived out.
- The “PUT OFF” list displays the corruption of sin and the marks of the old man that Christians are called to get rid of.
- Everything on the “PUT ON” list falls inside of one of the 10 characteristics listed on the Picture of a Disciple document.
- The lists above are not exhaustive.
